POLICE**

Key findings from the evaluation of the pilot of Metropolitan Police Service delivery of Clever Never Goes

Clever Never Goes is a new child safety programme designed to give teachers, police, other professionals and parents a child-friendly alternative to 'stranger danger'.

In Spring, 2019 four Metropolitan Police Service (MPS) Schools Officers delivered more than 66 Clever Never Goes sessions in 37 primary schools. Feedback was collected from the four Schools Officers and teachers in 33 of the participating schools.

positive light.

Suggestions for building on the programme:

Opportunities to share
learning and best practice

More ways of
engaging parents

New resources for older
primary age children

More 'props' and resources
for Schools Officers

Greater levels of school engagement:

On the back of this I'm
going into more schools so
for me it's been fantastic
